ACE Life Insurance Co. Ltd (ACE Life), a member of ACE group, has finalised its 2008 Cung Ban Vuot Song (Surfing the Wave Together) scholarship programme with 81 northern students receiving financial support earlier this month. The scholarships, sponsored by ACE Life's account representatives and valued VND3 million (\$176) each, were given to needy students just enrolled in accredited universities for the 2008-2009 academic year. Under the company's plan, 314 students throughout the country received the scholarships totalling VND932 million (\$54,800) in 2008.
